U4, Decile 9, Roll 240

Our Lady of the Sacred Heart School, located at the heart of the Our Lady of the Sacred Heart Parish Epsom, is looking for a new principal.

Our new leader must demonstrate a visible and passionate commitment to weaving our special Catholic character into every aspect of life at our school and the wider school community.

The willingness and ability to take part in religious instruction appropriate to the special character of the school shall be a condition of employment.

As part of its ten-year strategic plan, Our Lady of the Sacred Heart School is about to commence a major rebuild. This will see the inclusion of innovative, flexible learning environments. In preparation for this, the school has been transitioning to modern pedagogical approaches appropriate to all year levels and we are looking for a principal to continue to champion this exciting journey.

Our new principal will work with the community and staff as we continue to explore educationally powerful learning partnerships which deliver the very best outcomes for all our students. They will be able to recognise and acknowledge the great foundations already in place at Our Lady of the Sacred Heart and will work with the Board, staff, students and community to continue the development of the school's vision. We are looking for an empowering educator who will bring out the best in our wider team.

If you have the drive and experience to lead our school in the next chapter of its life, then we welcome your application for the position.
