

2024 - 2025

**ANNUAL
IMPLEMENTATION
PLAN 2025**

Pigeon Mountain School
Education with a Heart

Vision: To provide Education with a Heart
Whakatauki; Maturanga o te Ngakau

**School
Values**

Respect - Resilience - Responsibility - Excellence
Whakaute - Manawaroa - Takohanga - Kairangatira

As a school, we aim to be;

**Providing a personalised journey
through PMPS which maximises
everyone's potential**

**Providing inclusive, engaging learning
opportunities**

**Enhancing the wellbeing of all in our
community**

If we are successful;

**Deliberate acts of teaching
measurably improves the achievement
of learners**

**Our curriculum offers students a range
of engaging curricular and extra
curricular opportunities**

**PMPS is impacting positively on the
wellbeing of everyone in our school
community**

To achieve success, we will;

Initiative 1
Use dialogical coaching to strengthen teacher
adaptive expertise
Collaborative inquiry into practice impacts
measurably on student engagement and outcomes

Initiative 2
Establish best inclusive pedagogies which accelerate
learner achievement
Student engagement and outcomes improve as a
result of teacher inquiry into practice

Initiative 3
Strengthen collaborative practices across teams
Teams work cohesively to enhance curriculum
delivery and ensure consistent, high-quality teaching
practices

Initiative 1
Develop expertise in structured literacy
Student outcomes improve as a result of teacher
expertise in structured literacy practice

Initiative 2
Develop expertise in the new Maths and Statistics
and English Curriculum
Enhanced teaching and learning through effective
implementation of the new Maths and English
curricula

Initiative 3
Strengthen and embed the PMPS Inquiry Framework
with a School-Wide Programme of Inquiry and Play-
Based Learning in the Junior School
Cohesive, inquiry-driven learning across the school
to enhance engagement and development

Initiative 1
Fostering connection and lifelong learning for staff
wellbeing
Staff feel connected, supported, and inspired to
learn, fostering their wellbeing and growth

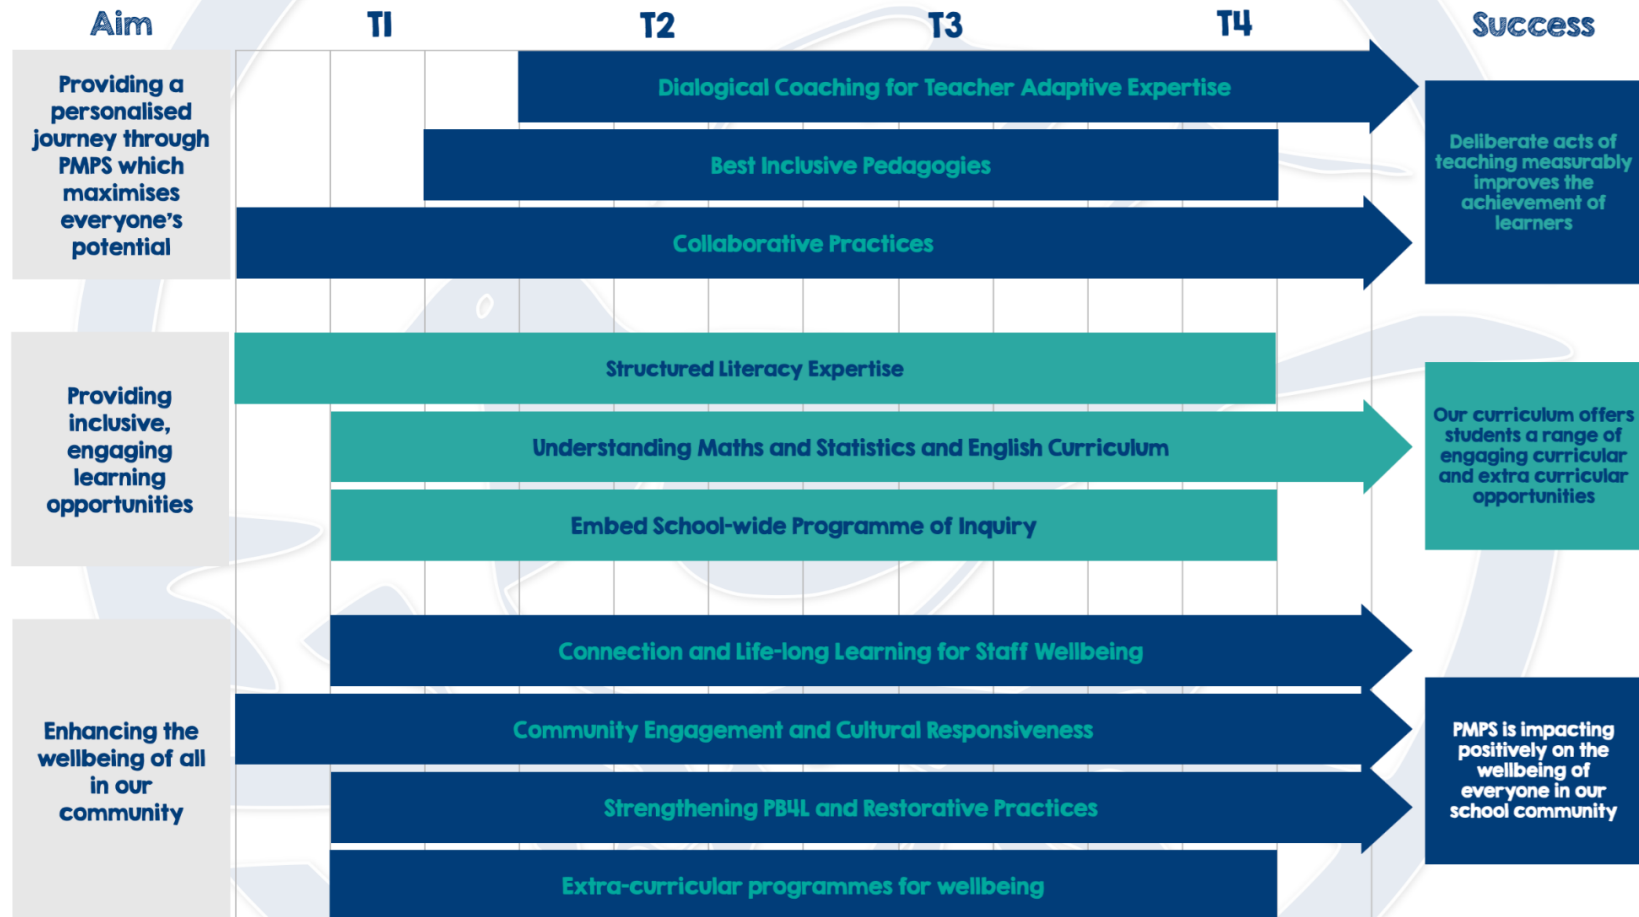

Initiative 2
Foster community engagement and culturally
responsive practices
Community engagement and culturally responsive
practices reflect the values of our school community

Initiative 3
Strengthen PB4L and Restorative Practices for Positive
Behavioural Support
A consistent understanding and approach for
positive behaviour improves student outcomes

Initiative 4
Enrich wellbeing through extracurricular and
curricular programs
Enhanced wellbeing through inclusive and engaging
extracurricular and curricular programs

Vision; To provide Education with a Heart
